Independent Auditors' Report

To the Minister of Aboriginal Relations and Reconciliation, Province of British Columbia
To the Members of the Board of First Peoples' Heritage, Language and Culture Council

We have audited the accompanying financial statements of First Peoples' Heritage, Language and Culture Council, which comprise the statement of financial position as at March 31, 2012, and the statements of operations, changes in net financial assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory notes and information.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making these risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Council as at March 31, 2012 and the results of its operations, changes in net financial assets and statement of cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

FIRST PEOPLES' HERITAGE, LANGUAGE & CULTURE COUNCIL

Notes to Financial Statements

Year Ended March 31, 2012

1. PURPOSE OF THE ORGANIZATION

The First Peoples' Heritage, Language and Culture Council ("the Council") is a Crown Corporation, established under the First Peoples' Heritage, Language and Culture Act and is an agent of the Crown. The Council commenced operations April 1, 1991. The mission of the Council is as follows:

- To preserve, restore and enhance First Nations' heritage, language, and culture;
- To increase understanding and sharing of knowledge, within both First Nations' and non-First Nations' communities; and
- To heighten appreciation and acceptance of the wealth of cultural diversity among British Columbians.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Conversion to Public Sector Accounting Standards

Commencing with the 2011/2012 fiscal year, First Peoples' Heritage, Language & Culture Council has adopted Canadian public sector accounting standards. These financial statements are the first financial statements for which the Canadian public sector accounting standards apply.

(b) Amortization

Rates and bases of amortization applied to write off the cost less estimated salvage value of capital assets over their estimated lives are as follows:

Leasehold improvements	7 years, straight-line
Furniture and equipment	5 years, straight-line
Computers	3 years, straight-line
Computer software	3 years, straight-line

No amortization has been taken on the Art Collection.

(c) Revenue Recognition

The Council follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

(d) Donated Services and Materials

Donated materials are recorded both as donations and expenses at their fair value when fair value can be reasonably estimated. Donated services are not recorded in the financial statements, as they cannot be reasonably estimated. The Council also receives a number of volunteer hours from the Board of Directors, which have not been recognized, due to the difficulty of estimating their value.

FIRST PEOPLES' HERITAGE, LANGUAGE & CULTURE COUNCIL

Notes to Financial Statements

Year Ended March 31, 2012

(e) Use of Estimates

In preparing the Council's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(f) Financial Instruments

The Council's financial instruments consist of cash, receivables, payables and accruals. Unless otherwise noted, it is management's opinion that the Council is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.

3. RELATED PARTY TRANSACTIONS

The Council's directors are appointed by the Minister of Aboriginal Relations and Reconciliation from the Advisory Committee which has tribal council representatives from First Nations across the province of British Columbia. It is, therefore, inevitable that there will be grants made to a community within a tribal council that a Council member represents. A standard application and peer review process ensuring that there is not a conflict of interest is followed in all cases to determine which communities are awarded grants.

The First Peoples' Heritage, Language and Culture Council is related through common ownership to all Province of British Columbia ministries, agencies and Crown corporations. Transactions with these entities are made under normal operational terms and conditions.
